Dear Mr. Ford:

I am pleased to extend our thanks to Grand Savings Bank for your participation in the Arkansas Preferred IOLTA Banks Program. In Arkansas, Interest on Lawyers Trust Accounts (IOLTA) can be included as one part of a broad definition of qualified CRA involvement. Under the IOLTA Program, deposits from law firm clients that would not otherwise earn interest are deposited into special interest-bearing accounts maintained by participating law firms. The interest generated is paid to the Arkansas Access to Justice Foundation, which uses those funds to make grants to support the delivery of legal aid to low-and moderate-income families in all 75 counties of the state.

In addition to traditional reinvestment activities such as lending and community outreach, IOLTA helps strengthen local communities and foster economic and life opportunities for low-and moderate-income families by providing support for legal aid. Your bank's participation helped to make possible assistance with more than:

- 813 criminal record expungements which help Arkansans find jobs and housing;
- 362 bankruptcy, debt relief, and collections cases;
- 1025 housing cases (ie: eviction defense, foreclosure diversion, etc.); and
- 92 wills and estate cases that help families build & preserve generational wealth.

The following is information about Grand Savings Bank investment in legal aid through its participation in the IOLTA Program:

- Grand Savings Bank participates and supports the IOLTA program as a member of its Preferred Bank Program, which includes paying preferred interest rates and not adding service charges on IOLTA accounts. In 2023, Grand Savings Bank contributed \$17,162.45 toward this effort.
- Disbursements from the IOLTA fund are made available to that state's two legal aid organizations, which help thousands of low-and moderate-income families each year with housing, income maintenance, and other consumer issues that can affect their credit rating. The availability of free legal aid to low-income persons is often directly related to their ability to obtain credit, maintain housing, and secure employment.

Your participation in the IOLTA Program as a Preferred Bank exemplifies your commitment to upholding the federal Community Reinvestment Act. Thank you!

Very truly yours,

Tameka Parker
IOLTA Program Manager

Dear Sponsor,

The 2023 baseball season has come to a close and we wanted to say thank you again for your support of our high school program. While we left some wins out on the field, overall we had a strong season. Our five seniors anchored us well while a number of younger players found ways to step in and contribute. Our fans were faithful and attendance was strong all year long, especially at our home games.

Because of your financial support, we were able to take care of our needs and we're going into the off-season in a much better financial position than we've been in for a long time. This is going to go a long way to being able to help us with our need for uniforms, equipment, as well as ancillary things that often come with the move into a new home as we anticipate moving into our new stadium next season.

It's been our goal to have a program that develops our student-athletes as players and as young men, building something our entire community can take pride in. We hope you'll consider continuing being a part of that in seasons ahead.

Once again, thank you and go Panthers!
